DISTRICT 2-A1 SUPPORTED CHARITIES FOR 100% CONTRIBUTIONS

A 100% voluntary contribution to a charity is based on a per-member donation from a club that is made during the Lions year. Most of our charities have no dues or means of support, except through individual fellowship donations or these 100% (or greater) club donations.

A dollar amount is established by the charity, the State Council of Governors, or the district itself. Many Clubs bring these checks and present them at the District Cabinet meetings during the “Parade of Checks.”

LIONS CODE OF ETHICS

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself. Whenever a doubt arises to the right or ethics of my position or actions towards others, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that a true friendship demands nothing but accepts service in the spirit in which it is given.

To always bear in mind my obligations as a citizen to my nation, my state, and my community and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor, and means.

To aid others by giving my sympathy to those in distress, my aid to the weak, and my substances to the needy.

To be careful with my criticism and liberal with my praise; to build up and not destroy.

WE SERVE!
